This listing of claims will replace all prior versions, and listings, of claims in the application:

## Listing of Claims:

- 1. (Presently Amended) A greeting card comprising:
- a greeting card portion having at least a front panel and a rear panel, at least one of the panels having preprinted and personalized indicia thereon;
  - of the panels having preprinted indicia thereon;
- a gift card having a coded portion with coded information thereon said gift card concealing a <u>personalized</u> message on the panel having preprinted indicia; and

coupling means for temporarily securing the gift card to one of the front and rear panels whereby the panels initially conceal the gift card from view.

- 2. (Original) A greeting card as set forth in claim 1, wherein the front panel and rear panel are connected along a hinge line.
- 3. (Original) A greeting card as set forth in claim 2, wherein at least one of said panels includes preprinted indicia corresponding to a particular occasion.
- 4. (Original) A greeting card as set forth in claim 3, wherein at least some of the preprinted indicia is concealed beneath the gift card.
- 5. (Original) A greeting card as set forth in claim 1, wherein the coupling means includes adhesive.
- 6. (Original) A greeting card as set forth in claim 1, wherein the coded portion includes a personal identification number corresponding to the gift card.

1

- 7. (Original) A greeting card as set forth in claim 1, wherein the coded portion includes scannable information.
- 8. (Original) A greeting card as set forth in claim 7, wherein the coded portion includes a magnetic strip.
- 9. (Original) A greeting card as set forth in claim 7, wherein the coded portion includes a bar code.
- 10 (Original) A greeting card as set forth in claim 7, wherein the coded portion includes a transponder.
- 11. (Original) A greeting card as set forth in claim 7, wherein the coded portion includes a transmitter.
- 12. (Original) A greeting card as set forth in claim 1, wherein the panel carrying the gift card includes a window positioned in registry with the coded portion.
- 13. (Original) A greeting card as set forth in claim 1, wherein each of the panels of the greeting card portion has a width and length and the gift card portion has a width and a length which is less than the width and length of either of the panels.
- 14. (Presently Amended) A greeting card, comprising;
- a greeting card having a front and back panel, said greeting card provided with personalized and preprinted indicia;
- a gift card applied to one of said front and back panels and said gift card concealing a <u>personalized</u> message;

an envelope for containing and delivering said greeting card with said gift card applied thereto.
